Dear Friends,

We have been in constant contact with EMUNAH of Israel. Our Children's Homes and our schools have taken in children and families fleeing the north.

EMUNAH AS ALWAYS IS A FIRST RESPONDER.

For thousands of children and their families we have provided:

- **safety equipment**
- **emergency food supplies**
- **crisis summer camps**
- **trauma counseling**

YOUR HELP IS NEEDED

The directors of our Homes estimate the cost per child for the crisis summer camps at \$350 per child. Taking in whole families for indefinite stays will cost much more. Twenty of our Day Cares Centers in the North were closed by the order of the IDF because of danger and structural damage to the buildings.

We need your financial support - monies are going directly - to all the needs listed above and to meet emergencies and contingencies.

The situation in Israel is desperate. Tears and sympathy are just not enough. Each and everyone of us must take part in Tefillah , Tzedakah and Ma'asim Tovim.

We need your help.

Sincerely,

**Heddy Klein
National President**
